EMPLOYEE MANUAL INTERPRETATION AND DISCLAIMER

The purpose of the employee manual is to provide employees of LSI with general information regarding the procedures and policies that govern employment at LSI. Because it is not possible to anticipate every situation or answer every question about employment, the guidelines set forth in the manual are not intended to provide fixed rules for dealing with all problems that arise in the workplace.

Personnel guidelines in the manual supersede and replace all previously published or unpublished policies, guidelines, handbooks, or other publications related to personnel matters. LSI must demonstrate flexibility in the administration of employment guidelines and reserves the right, with or without notice, to rescind, modify, or deviate from guidelines, policies, practices, or procedures relating to employment matters from time to time as it considers necessary or appropriate in its sole discretion.

The personnel guidelines in this manual may only be altered or contradicted in writing by the President or Board of Directors of LSI.

LSI retains the right to release you from employment at any time and for any reason, just as you retain the right to leave LSI at your discretion. The employment relationship is entirely at-will.

NEITHER THE EMPLOYEE MANUAL NOR ANY PROVISION OF THE MANUAL IS AN EMPLOYMENT CONTRACT OR ANY OTHER TYPE OF CONTRACT AND DOES NOT CREATE ENFORCEABLE RIGHTS ON THE PART OF EMPLOYEES.

EMPLOYMENT PRACTICES

EQUAL OPPORTUNITY PRINCIPLES; SEXUAL HARASSMENT;
COMPLAINT PROCEDURES

EQUAL OPPORTUNITY PRINCIPLES

It has been and will continue to be the policy of LSI to be fair and impartial in all its relations with its employees and applicants for employment. LSI will base all employment-related decisions upon valid job-related factors, without regard to race, religion, national origin, age, sex, physical or mental disability, veteran, or other protected status. This policy applies to recruitment, hiring, training, promotion, and all other personnel actions and conditions of employment such as compensation, benefits, layoffs and reinstatements, training, tuition assistance, and disciplinary measures. Harassment of employees or applicants based on any of these protected characteristics also is prohibited.

By this policy, LSI wishes to ensure that all employees can make their maximum contribution to LSI and to their own career goals. The intention behind this policy is to provide an equal employment opportunity program that will simultaneously serve the requirements of society, the law, sound business practices, and individual dignity.

SEXUAL HARASSMENT

Sexual harassment is illegal and contrary to the policy of LSI. LSI strives to foster a work environment free of sexual discrimination, intimidation, and insult. LSI prohibits any officer or employee from making unwelcome and unsolicited sexual advances or engaging in other verbal or physical conduct of a sexual nature, when an individual's submission to that conduct is made explicitly or implicitly a term or condition of that individual's employment, or when that conduct creates an intimidating, hostile or offensive working environment.

COMPLAINT PROCEDURE

Any person who believes that he or she is the victim of any type of discriminatory conduct, including sexual harassment, or that another employee has been the subject of discriminatory conduct, including sexual harassment, or that another employee has been the subject of discrimination, should promptly advise LSI's Human Resources Manager. LSI prohibits any kind of retaliatory act against an individual who has in good faith complained about discrimination. Supervisory employees who are aware of discriminatory conduct and fail to report it to the Human Resources Manager will be subject to disciplinary action. The Company will conduct a prompt and thorough investigation of all the circumstances surrounding the alleged incident. The Company will make reasonable efforts to keep the investigation confidential. If the investigation

discloses that an individual has committed an act of discrimination, that individual shall be subject to appropriate disciplinary action, up to and including termination. Any person who knowingly makes a false claim of discrimination shall also be subject to appropriate disciplinary action including termination.

ADA POLICY

LSI strongly supports the policies of the Americans with Disabilities Act and is completely committed to treating all applicants and employees with disabilities in accordance with the requirements of that statute. The company assesses individuals by their abilities, not their disabilities, and seeks to give full and equal employment opportunities to all persons capable of performing successfully in the company's positions. LSI will provide reasonable accommodations to any persons with disabilities who require them and urges employees and applicants who may be disabled and require accommodation to advise the company of their needs. Information concerning individuals' disabilities and their need for accommodation will of course be handled with the utmost discretion.

The company hopes that all employees will advise the President or other management personnel when they become aware that persons with disabilities have special needs in our workplace. All requests for accommodations must be supported by a physician's note.

EMPLOYEE RIGHTS & RESPONSIBILITIES

ADMINISTRATION

CLASSIFICATION

Employees are classified as either exempt (salaried) or nonexempt (hourly). Nonexempt employees are eligible to receive overtime in accordance with relevant state and federal laws for hours worked more than forty (40) hours in one week, whereas exempt employees are not eligible for overtime. An employee must obtain advance written authorization from a supervisor before working overtime. Failure to obtain advance authorization will subject an employee to discipline.

FULL-TIME, PART-TIME EMPLOYEES

Full-time employees of LSI are defined as those who are scheduled on a regular basis to work five eight-hour days during each workweek. Employees scheduled to work less than this amount shall be defined as part-time employees. Unless otherwise noted, only regular, full-time employees are eligible for all benefits set forth in this Employee Handbook Manual.

EVALUATION PERIOD

Every LSI employee must complete an evaluation period of 90 days before becoming a regular full-time employee. During the evaluation period, employees shall not be entitled to fringe benefits (excluding holiday pay and unpaid time off). An employee may be terminated during the evaluation period without any harm to the employee's work record. Employees who successfully complete their evaluation period will be considered as a regular employee. PTO will accrue retroactively from the first day of employment, however, are not permitted to be used until the end of the evaluation period.

Completion of the Evaluation I period does not entitle you to remain employed by the company for any definite period. Both you and the company are free, at any time, with or without notice and with or without cause, to end the employment relationship.

WORKING TIME

The normal workday for all hourly and nonexempt employees will be eight (8) hours of work. The normal workweek for all hourly and nonexempt employees consists of five (5) consecutive workdays, Monday through Friday, making a total of forty (40) hours of work.

The typical workday begins at 8:00 AM and ends at 5:00 PM with an unpaid lunch break (1 hour).

All exempt employees are expected to work the hours that are required to complete the tasks assigned to them as a function of their jobs. However, every effort should be made to work hours typical to hourly and non-exempt

employees. Management may approve special circumstances when deviations to this policy must be considered.

Every nonexempt and hourly employee is expected to start work promptly at 8:00 AM, unless your supervisor has implemented special arrangements or schedule changes.

LSI reserves the right to modify the above schedule to adapt to unusual circumstances.

OVERTIME

Overtime will be paid to nonexempt and hourly employees for all hours worked over forty (40) hours/week (Monday to Sunday). Although the Company does not normally require overtime on weekends (Saturdays/Sundays), holidays, early mornings and late evenings, there may be cases when work at such times are necessary for nonexempt employees. In such cases, the Company will generally permit no more than four (4) hours overtime in one day – or a total of twenty (20) hours overtime in one week – for any nonexempt or hourly employee – unless otherwise approved in advance in writing by an employee’s supervisor. Overtime pay for nonexempt and hourly employees will be calculated in accordance with applicable state and federal laws.

A nonexempt or hourly employee who expects to do overtime work must first obtain approval from his/her supervisor. Afterwards, the employee must promptly report the overtime to his/her supervisor.

PAY SCHEDULE

All wages and salary will be paid weekly. Pay is processed on Monday, through QuickBooks Payroll Processing, the day after the end of the pay period. The company offers and strongly encourages employees to participate in our direct deposit program. This program is offered for the convenience of our employees, direct deposits will be submitted to employee’s bank 12:00am each Tuesday morning. If an employee does not use direct deposit, checks are available for pick up at the Human Resources office on or after payday during business hours. If check is not picked up by the following Friday, the check will be mailed to the Employees address on file.

PERFORMANCE, SALARY, AND WAGE REVIEW

Employees' work performance, job assignment, responsibility, professionalism, and salary level will be reviewed on an annual basis. Salary and wages will be adjusted entirely at the discretion of the Company. An increase in salary level is not automatic.

PROMOTIONS AND TRANSFERS

It is company policy to seek and select employees who are qualified, dedicated, and who seek the challenge of achieving flexible assignments and broadening their careers.

Promotions are made at LSI's discretion, and are based exclusively upon individual merit, past performance, professionalism and demonstrated desire to grow with the Company. How far an employee advances with LSI is based on opportunity and his/her ability, dedication, and enthusiasm.

LSI reserves the right to transfer employees to different positions, jobs, or locations, as may be required by business conditions or other factors.

PERSONNEL RECORDS

LSI must maintain accurate and complete information concerning each employee and his/her work history. Employees will benefit by informing the Company promptly of a change of address, telephone number, or insurance beneficiary. It is mandatory to report changes immediately. Lack of compliance with this requirement may subject the employee to discipline.

LEAVES

NON-PAID LEAVES OF ABSENCE

A non-paid leave of absence is an approved absence without pay. Leaves of absence must be requested in writing and will be granted only for special reasons. Only regular full-time employees are eligible for leaves of absence. Time off without pay and leaves of absence for personal reasons will be

considered based on the Company requirements and hardships caused thereby, the employee's performance record, the reason for the request, and the employee's length of service with the Company.

The determination of whether the request shall be granted rests solely within the discretion of the Company. If the request is granted, the Company's benefits will cease and contributions for the employee's health insurance plan will become the sole responsibility of the employee during the time of the non-paid leave. Failure of payment for medical insurance coverage will result in termination of coverage. However, the employee will be given the opportunity to convert the policy to individual coverage.

A leave may be granted for personal reasons without pay for a period not to exceed ninety (90) days if the employee has worked at least 1200 hours within the last 12 months.

A leave of absence shall not be considered as time worked for purposes of calculating an employee's entitlement to fringe benefits, if any.

MILITARY LEAVE

An employee may leave to fulfill military duties in accordance with all applicable state and federal laws. In the event an employee is called for military service, the re-employment rights shall be governed by the Universal Military Training and Services Act. A leave of absence without pay shall be granted. Vacation time and sick leave hours shall not accrue during such a leave. When ordered to report for military service, the employee shall provide prompt notice to the Company.

SPECIAL LEAVES WITH PAY

SICK LEAVE / PERSONAL DAYS

LSI understands that employees require time off for unforeseen sickness/reasons. Sick leave is limited to the employee's Sick/Personal day accumulation. Effective at the employees start date, sick/personal days shall begin to accumulate at the rate of .027 hours per hour worked. This is equal to 7 days per calendar year based on a 40-hour work week. This number will vary

based on the number of hours the employee works. These hours do carry over to the following year with a maximum accumulation of 160 hours. The employee must notify LSI 30 minutes before your shift begins for morning absences and you must receive approval before leaving early. Requests may be approved or denied by senior management. Personal days must be taken in 1 hour increments.

In severe cases, It is the direct responsibility of the employee to notify the Company shortly after the commencement of the first workday of his/her absence. In the case of protracted illness, the employee should report to their supervisor on a periodic basis so that the Company is aware of all circumstances involved in the absence. Failure on the part of the employee to do so may result in discipline including discharge.

If an employee is terminated without cause, any remaining sick leave/personal days will be paid on the final payroll check. If an employee is terminated with cause or resigns without at least a 2-week notice, any remaining sick leave/personal days will be lost. Temporary or part-time employees including those in the introductory period are not entitled to paid sick leave or paid personal days.

VACATION

The importance of a vacation as a period of relaxation and change from normal work routine is well recognized. LSI has established vacation benefits to meet those needs. LSI reserves the right to ask all employees to work out a mutually agreed upon vacation schedule so that there will be sufficient attendance during peak vacation periods.

LSI's vacation rules are as follows:

Length of Vacation: LSI's vacation plan provides increasing vacation time in relation to years of service.

Period of Employment:	Vacation Entitlement:
Less than 1 year	2 days (16 hours)
More than 1 year and less than 2 years	5 days (40 hours)
>2 years < 7 years	10 days (80 hours)
>7 years	15 days (120 hours)

On your anniversary date, any portion of your entitlement not used will be forfeited and your vacation balance will be replenished with the maximum entitlement.

Vacation must be scheduled a week in advance per day. For example, if you plan to be on vacation May 1st, 2nd, 3rd, 4th, and 5th, you must request vacation time at least 5 weeks in advance. To avoid being denied time off, we encourage time off requests to be submitted as early as possible. Your request for vacation days will likely be denied if others in your department are already scheduled off on the days requested. Please submit requests as early as possible to guarantee your spot.

In the event all personal/sick hours have been used, managers may allow employees to use vacation hours. For this to be approved you must provide a doctors' note or proof of an emergency. We encourage you to schedule your leisure days and save PTO for unprecedented events, such as sickness, flat tire, etc. We thank you in advance for using your time wisely.

If an employee is terminated without cause, any remaining vacation hours will be paid on the final payroll check. If an employee is terminated with cause or resigns without at least a 2-week notice, any remaining sick leave/personal days will be lost. Temporary or part-time employees including those in the introductory period are not entitled to vacation.

To receive holiday pay, employee must be at work or on a scheduled vacation day the last scheduled workday before and next scheduled workday after the holiday. The company reserves the right to substitute certain holidays for other holidays at its discretion.

In the event an employee is called for jury duty, the difference between what the employee received for such duties and the amount he/she would have earned at the regular straight time rate of pay will be paid, not to exceed a maximum of ten (10) working days in anyone (1) year. Employee must report to work during hours not served as juror during normal scheduled working hours.

ABSENCE/TARDINESS

If a nonexempt employee is going to be absent or late for work, he/she must notify the immediate supervisor within 30 minutes of the start of your shift. He/she must continue to notify the supervisor each day that he/she is absent. Notification of personnel other than your supervisor or other management is not considered notification of the company. Unexcused, habitual, or repeated tardiness or absence for any reason is cause for discipline up to and including termination. If an employee is absent due to illness for three (3) consecutive days or more, he/she is required to present a physician's release to the supervisor before reporting to the workstation. Any day of absence without notification is cause for discipline including discharge. A Company supervisor may at any time request a physician's release or medical report regardless of length of absence. If an employee is absent for more than three (3) consecutive days without notification to a supervisor he is considered to have severed the employment relationship and will no longer be employed by the Company.

In the event an employee becomes ill during working hours, he/she will be required to report to the supervisor prior to leaving Company premises.

ATTENDANCE POINT SYSTEM

Logistech enforces an Attendance Points Policy. The purpose of this system is to allow a maximum number of absences for the year after all PTO has been exhausted. If the employee exceeds 24 points before year end, the employee will be evaluated for terminated. All employees' points will reset to 0 December 1st each year. The point system accumulates as follows:

Absenteeism	Points
6-15 min late	1
16 min – 2 hours late	3
More than 2 hours late or absent	5

This applies to leaving early without using approved PTO, vacation or if a manager has not approved you to TOWOP (Time off without pay) TOWOP will only be approved if workload is light. If you must be leave early and you have not been approved for TOWOP. You must use personal time if you have it or elect to take points.
